

Impact Report

Letter from the Executive Director

Dear Members of the Regina Caeli Academy Community,

As I reflect on the past year, I am filled with gratitude and excitement. It truly is an exciting time to be part of Regina Caeli Academy, a community that stands as a beacon of educational excellence and unwavering commitment to our Catholic mission.

At RCA, we are not merely educating students; we are shaping minds, nurturing spirits, and fostering a love for learning that will resonate throughout their lives. Our commitment to providing a quality, faithfully Catholic, classical, and academically rigorous education remains steadfast. Each day, we strive to support parents to create an environment that empowers students to flourish intellectually, spiritually, and personally.

Our mission starts with the family, recognizing parents as the primary educators of their children. We are proud to offer a hybrid approach to homeschooling that continues to serve this fundamental role. It's not just about academics; it's about fostering an environment where parents can educate their children and grow and learn together. Our commitment to the family is unwavering, and we are dedicated to providing the resources, support, and guidance needed for parents to thrive in their essential role.

Our curriculum continues to expand past simple testing on facts and figures; it's a faith-filled journey of "Training the Mind to Form the Soul." We are dedicated to cultivating the hearts and minds of our students, nurturing a deep connection with their faith that will guide them through life's challenges and triumphs. Our goal is to help Catholic parents raise the next generation of Catholic leaders, individuals who will embody the values of service, compassion, and faith as they navigate a complex world.

The growth we have witnessed is a testament to the resonance of our mission. Enrollments and retention rates have soared, and we have been humbled by the numerous requests to expand to new locations. It is evident that Catholic families across the United States are seeking an educational approach that not only nurtures their children's academic growth but also nurtures their souls and fosters their Faith.

In this pursuit of excellence, we are investing in multiple fronts. Our curriculum and resources have been updated to cater to the diverse needs of our students, ensuring they receive the best education possible. We believe in not only teaching students but also supporting parents, and as such, we are strengthening our parent support systems. Our dedicated staff, the heart of RCA, is receiving more resources and support than ever to continue allowing them to aid in the nurturing of our students' young minds.

We are proud to announce that we have added four supportive roles to our National Leadership Team. First is the Classical Education Specialist, a devoted advocate of classical learning, who while also serving as a Regional Manager of Education and tutor, also reviews and enriches our academics with a deep commitment to fostering an authentically classical education.

Two other invaluable staff members are Learning Support Specialists. One of our specialists plays a pivotal role in ensuring that all our students receive the support and accommodations they need in the classroom to excel in their educational journey. The other specialist holds a crucial position in bridging communication gaps with our Spanish-speaking parents, ensuring they understand their children's educational needs and are supported to homeschool effectively, reinforcing the strong bond between families and RCA's mission.

The fourth is our Facilities Manager. Our Facilities Manager takes on a pivotal role, identifying optimal locations, forging strong landlord relationships, and providing crucial support to the local administrative team by tackling facility concerns quickly. Her dedicated work not only ensures high-quality learning environments but also alleviates the intricate challenges of safety, insurance, and sensitive facility matters, allowing parents and students to focus on their education with peace of mind.

These additions to our team embody our commitment to providing the best possible education and support for our students and families. We are immensely proud to have such passionate individuals as part of our RCA family.

Infrastructure matters deeply to us. We believe that the physical environment plays a pivotal role in fostering growth and learning. That's why we have invested significantly in enhancing our facilities to ensure both safety and an optimal learning environment for our students.

Moreover, we understand that safety is paramount. RCA has taken proactive measures to guarantee the safety of our students and staff. Rigorous safety evaluations have been conducted across all 20 of our centers, ensuring that every corner of our facilities promotes security and well-being. Our staff members have undergone thorough retraining to ensure that we are equipped to provide the safest environment possible.

Our commitment extends beyond the classroom walls. We are proud to be expanding our clubs and community-engaging events, fostering a sense of belonging and camaraderie that extends far beyond the school day. Together, we are building a community where every member is valued, encouraged, and inspired.

I am immensely proud to share that Regina Caeli Academy stands as the only nationally operated homeschool hybrid of its kind and is becoming very well regarded as a unique education option in the dioceses in which we operate. This distinction is not one we take lightly. It's a responsibility we embrace, a call to continue setting the standard for excellence in hybrid education.

As we move forward, let us remember that we are not just shaping the future; we are shaping lives. Our collective efforts, dedication, and love for learning are shaping the very fabric of our community and society at large. I am honored to be a part of this journey with each and every one of you.

Thank you for your continued support, trust, and dedication to the vision of Regina Caeli Academy. Together, we are making a difference in the lives of our students and the world they will go on to influence.

With gratitude and excitement,

Nicole Juba

GROWTH AND RETENTION

At Regina Caeli Academy, we are thrilled to share our record-setting growth and retention rates across all our centers. The spirit of progress is palpable, as overall growth has surged, reflecting the collective dedication of our staff, students, and families. Enrollment experienced a significant 10.14% increase compared to the previous year. A total of 1385 students chose to re-enroll, achieving an impressive re-enrollment rate of 78.3%. Additionally, 570 new students were successfully enrolled, resulting in a total enrollment of 1955. This reflects a net gain of 180 students from the previous year's enrollment of 1775 students. This significant achievement is a testament to the faith and trust parents place in our mission.

Strategies that have contributed to this remarkable growth encompass a multifaceted approach. Under the new leadership of Nicole Juba, Regina Caeli Academy is committed to fostering a more positive and engaging culture within our community, cultivating an environment where students thrive emotionally and academically. Through consistent communication and collaboration, we are creating a sense of belonging that extends beyond the classroom.

Investing heavily in our students and families is at the core of our strategy. In the fiscal year 2022, RCA consistently upheld its commitment to family support. A substantial sum of \$431,564.10 was allocated for qualified tuition assistance, comprising 8.5% of RCA's total ordinary expenses and 7.5% of tuition revenue. Additionally, an extra \$1,244,459.45 was designated to provide meaningful multi-child discounts, reflecting RCA's dedication to meeting the needs of our community. These concrete actions underscore our dedication to making a positive impact within our community. By channeling resources into student-centric programs and comprehensive family support, we aim to ensure that every aspect of a student's journey is met with encouragement and care.

As we increase retention, we are also enhancing the classroom experience by increasing classroom sizes across grades. This deliberate step not only accommodates the growth but also fosters a more robust classroom environment for our students. The interplay of diverse perspectives during socratic discussions and ideas enriches participation and collaboration, contributing to a dynamic learning experience.

Our commitment to academic excellence remains unwavering, and we continuously refine our curriculum to provide the best possible educational experience. As the only Classical Homeschool Hybrid®, our curriculum must be unique in order to maximize the benefits of our structure for our students. By embracing innovative teaching methodologies and a classical curriculum, we empower our students to explore their potential and develop a genuine love for learning.

Additionally, fostering relationships with local dioceses and parishes has allowed us to expand our reach and provide access to our unique educational model. The synergy between our strategic growth strategies and our commitment to creating a nurturing community is a driving force behind our record-breaking success.

As we celebrate these achievements, we are inspired by the dedication of our community. The journey of growth and excellence is a collective effort, and we are excited to continue nurturing the potential of our students and building a future enriched with wisdom, values, and success.

Student Success: Samantha Alvarez

In the tapestry of our student community, Samantha Alvarez shines as an embodiment of curiosity, dedication, and the pursuit of excellence. As a 2023 graduate from Austin, her journey at Regina Caeli Academy has been marked by an unquenchable thirst for knowledge and a commitment to merging her faith with a future that holds immense promise.

The story of Samantha takes us to a moment frozen in time, captured in the photographs of her medical internship with Dr. Kalamarides at the Vitae Clinic. It is within these images that we glimpse Samantha immersed in the world of medicine, her eyes alight with the spark of discovery. The Vitae Clinic, a beacon of compassionate healthcare intertwined with pro-life and faith-based principles, served as the canvas for Samantha's growth.

Within the corridors of this clinic, Samantha's participation in the RCA Professional Development 2 class took on a tangible form. Here, she wasn't just learning; she was experiencing the marriage of education and hands-on practice. The clinic's commitment to adhering to faith-based ethics, fostering life-affirming values, and providing uncompromising healthcare became the backdrop against which Samantha's journey unfolded.

The Vitae Clinic's dedication to respecting the sanctity of life resonated deeply with Samantha's aspirations. Rejecting practices that contradict their principles, they epitomize the harmonious coexistence of faith and medical excellence. As Samantha delved into the world of obstetrics, infertility, and gynecology, she was embracing more than clinical knowledge—she was immersing herself in a philosophy that aligned seamlessly with her convictions.

Samantha's journey is not just a tale of exploration; it is a promise of the future. With a profound appreciation for the intersection of science and faith nurtured at Regina Caeli Academy, Samantha's path illuminates the potency of holistic education. As she embarks on her next chapter, heading to medical school, she carries the torch of knowledge with her. The insights gained from her time at the Vitae Clinic have become a mosaic of understanding, painting a picture of a future where medical excellence and faith are not disparate entities but harmonious companions.

In Samantha, we witness the embodiment of the Regina Caeli spirit—a dedication to intellectual and spiritual growth, a commitment to values, and a readiness to embrace the world with open arms. Her journey inspires us all, affirming the transformative power of education that transcends classroom walls, empowering students to shape futures that resonate with purpose and conviction.

COMMITMENT TO CLASSICAL CURRICULUM

At Regina Caeli Academy, our dedication to a classical education remains unwavering. This commitment extends beyond traditional teaching methods; it's a philosophy deeply rooted in nurturing well-rounded individuals. To uphold this mission, we have welcomed a Classical Education Specialist to our team. With meticulous attention, the Classical Education Specialist is reviewing and refining our curriculum, aligning it with the demands for excellence of RCA's Catholic Classical Education. Our aim is clear: to prepare our students holistically for a future of intellectual, spiritual, and personal success.

Furthermore, recognizing the significance of fostering Socratic discussions and creating a truly classical classroom experience, we've undertaken a significant effort. We are proud to share that we have invested hundreds of hours in additional training and resources for our tutors. This intensive training equips them with the skills to facilitate insightful Socratic discussions and effectively lead a classical classroom. Moreover, we extend these resources to our parents, acknowledging their pivotal role in our hybrid educational approach. This collaboration between teachers and parents ensures that our students engage deeply with their studies, nurturing critical thinking and a genuine love for learning.

In this pursuit of excellence, our commitment to the classical curriculum is not just a statement—it's a transformative journey that enriches the lives of our students and the entire RCA community.

Faculty Focus: Lauren Coughlin, 2nd Grade Tutor

“RCA has been a huge blessing to my family for the past two years as it has provided structure and support to my husband and I as we homeschool and raise our children to become saints. I enjoy my days at RCA Tampa because my children and I are excited to be there and I have the community support from all of the other tutors and parents. My family and I also cherish our time at home learning together because of the detailed syllabus and educational videos RCA provides to its families. Also, my children are motivated by their peers to complete tasks and assignments because they are excited to share their work and achievements with their friends. What I love most of all about the academy is that the staff are unapologetically Catholic and hold the students to high standards. I am so grateful my family has been blessed with the opportunity of homeschooling in the classical method of education with the support of other Catholic homeschooling families through RCA. May God continue to bless all of the families of RCA.”

CLT: EQUIPPING STUDENTS FOR SUCCESS

In our pursuit of educational excellence, we recognize that assessment plays a crucial role in measuring growth and readiness. With this in mind, we've embraced the Classic Learning Test (CLT), aligning with our commitment to classical learning. The CLT assesses English, grammar, and mathematical skills, providing a comprehensive measure of achievement and aptitude. What sets the CLT apart is its emphasis on foundational critical thinking skills. This unique approach ensures that the test remains relevant and accessible to students from diverse educational backgrounds.

The term "classic" in Classic Learning Test goes beyond its name. It reflects our choice to engage students with classic literature and historical texts for reading selections. By integrating meaningful content into the assessment process, CLT exams offer a more enriching testing experience. This approach not only aligns with our commitment to classical education but also reflects our belief in providing a holistic and edifying educational journey.

With our adoption of the CLT, we ensure that each student is equipped not only with subject-specific knowledge but also with the analytical and critical thinking skills necessary to excel in higher education and beyond. Through CLT, we forge a path toward success that is rooted in the enduring values of classical education.

"Educating , from the Latin educere, means leading young people to move beyond themselves and introducing them to reality, towards a fullness that leads to growth. This process is fostered by the encounter of two freedoms, that of adults and that of the young. It calls for responsibility on the part of the learners, who must be open to being led to the knowledge of reality, and on the part of educators, who must be ready to give of themselves. For this reason, today more than ever we need authentic witnesses, and not simply people who parcel out rules and facts; we need witnesses capable of seeing farther than others because their life is so much broader. A witness is someone who first lives the life that he proposes to others."

POPE BENEDICT 16TH, WORLD DAY OF PEACE MESSAGE, 2012

INVESTMENT IN STAFF AND FACILITIES

At Regina Caeli Academy, we recognize that our commitment to excellence is not only reflected in our curriculum but also in the individuals who guide and support our students. Our investments in staff development and facilities underscore this commitment, ensuring that our students receive an education of the highest quality.

Our two new Learning Support Specialists play pivotal roles within our community. One specialist focuses on providing essential classroom accommodations, ensuring that every student, including those with special needs, has the opportunity to excel in their educational journey.

This not only enables us to be an option for more students who require additional help in the classroom but also supports our tutors in offering the proper education tailored to each child's needs. Our families often have children of different learning styles and abilities and this specialist provides us with just one more way to be family-inclusive at RCA.

Another specialist serves as a bridge, effectively communicating with our Spanish-speaking parents, and facilitating a cohesive partnership between families and RCA's mission. These specialists embody our dedication to inclusive education and a supportive community.

The Facilities Manager plays a pivotal role in aiding the local Center Coordinators with their issues quickly and effectively. Handling numerous logistics matters across all 20 centers, she champions our commitment to safety and quality. Her dedication extends to addressing facility concerns promptly and alleviating the intricate challenges of safety protocols, insurance matters, and other sensitive facility issues. This relentless pursuit of excellence enables parents and students to focus on education with unwavering peace of mind.

To reflect our belief in the importance of a nurturing physical environment, we have invested significantly in enhancing our facilities. Over the past year, we have upgraded nine of our Center facilities, meticulously working on finding spaces that inspire curiosity and classroom engagement. These upgrades stand as symbols of our commitment to providing an optimal learning environment where academic and spiritual growth intertwines.

While our goal is to offer classes within Catholic spaces, we acknowledge that this may not always be feasible due to various factors. Nonetheless, our National Leadership Team and Facilities Manager tirelessly work to establish and nurture relationships with local dioceses and parishes that may have suitable facilities available. This ongoing effort reflects our dedication to creating an environment where our students can thrive both academically and spiritually. This journey is a testament to our commitment to growth and excellence.

Ensuring the safety and well-being of our students is our utmost priority. To fulfill this commitment, we have partnered with Fortified Risk Group, a recognized leader in safety assessments. Their expert team has conducted comprehensive evaluations of all our facilities, identifying areas that contribute to an environment of security and care. We are pleased to report that these assessments have led to enhancements that align with our safety protocols. Importantly, Fortified Risk Group has approached their role with the utmost consideration for our students' and parents' comfort and peace of mind. Their ongoing training and support for our local staff members reflect our shared dedication to maintaining a safe and nurturing atmosphere. We want to reassure our parents that these evaluations are part of our continuous effort to ensure that RCA remains a place where students can learn, grow, and thrive with confidence.

Family Focus: The Hartley Family

“Someone recently asked us what we are doing for the protection and formation of our children in the faith. My immediate response was, “We go to RCA!” Our children come home saying prayers and telling stories of saints that we never taught them. They love their friends and WE love their friends. We enjoy spending time with all the families and our children beg to have RCA families over for dinner (which we happily oblige). We don’t worry about the outside influences of the world at RCA because they encounter truth, beauty, and goodness.”

Graduate Focus: Thomas Yamin

In the heart of Detroit, Thomas Yamin emerged as a beacon of faith and aspiration. A 2023 graduate from Regina Caeli Academy's Detroit campus, Thomas is the third of ten children, a young man whose journey from the classroom to his future carries the essence of a profound calling.

As the dawn of his graduation approached, Thomas found himself at a crossroads illuminated by his unwavering desire to serve the divine. His journey had led him to the halls of Regina Caeli Academy, where the seeds of his vocation had been sown since he was a little boy. Like an ancient map guiding him towards sanctity, Thomas looked up to priests with a sense of reverence, seeing them as vessels of holiness, bridges to the divine. He yearned for that proximity to God, a closeness that whispered promises of purpose.

Yet, the path to discernment was not one he walked alone. Through quiet moments of prayer, Thomas drew closer to the Divine, his longing for purpose entwined with the voice of God's plan. His journey gained depth as he sought guidance, conversing with mentors, priests, and his parents, who stood as his primary educators.

His education and formation at Regina Caeli Academy, a sanctuary of learning and faith, nurtured his spirit's growth. The pursuit of the True, Good, and Beautiful, woven into the fabric of the curriculum, illuminated the path of discernment. These teachings echoed through the Socratic discussions that danced within the classroom, a testament to the academy's commitment to a holistic education.

With his parents as his guides, and Regina Caeli Academy fortifying his Catholic education and fostering a foundation of faith. Through the intertwined threads of knowledge and devotion, Thomas discovered the resonance between his yearning and the divine call. Certain tutors, whose embodiment of Christ's love left an indelible mark, further fueled his journey.

And now, as he stands on the threshold of a new chapter, Thomas's discernment leads him to Sacred Heart Seminary in Detroit, Michigan. This fall, he will step onto a path illuminated by his faith, a path where the pursuit of holiness and God's call intertwine.

His story, interwoven with Regina Caeli Academy's mission, embodies the essence of a community where faith and education meld into a profound symphony. As he embarks on his journey, we witness the impact of an education that transcends mere learning—it cultivates souls, nourishes vocations, and guides hearts toward the divine.

In the story of Thomas Yamin, we find the echoes of countless journeys, a testament to Regina Caeli Academy's commitment to nurturing hearts, minds, and souls. As he walks his path, we stand beside him, united in the purpose of fostering a legacy of faith, values, and purpose.

COMMUNITY ENGAGEMENT: UNITING HEARTS, ENRICHING SOULS

At Regina Caeli Academy, our community thrives as a testament to the strength of shared values and the bonds forged through collective engagement. This year, we achieved all-time high levels of community involvement, igniting a spirit of togetherness that resonated in every corner of our centers. The collective enthusiasm of our students, parents, and tutors ignited a wave of activity that left an indelible mark on our academy's journey.

Our calendar was full of vibrant events that celebrated our faith, fostered fellowship, and enriched the educational experience. From local fundraising events that resonated with our community's values to the joyous celebrations of Catholic Holy days, each gathering was a testament to our shared mission.

Fundraising with Purpose: Our local fundraising events were not merely occasions to contribute, but moments to stand united in support of causes close to our hearts. These events epitomized the values we hold dear, reinforcing our commitment to nurturing young minds rooted in faith, knowledge, and compassion.

Embracing Holy Days: Our Catholic Holy day celebrations were woven with reverence and joy. These gatherings enriched our spiritual journey, allowing us to collectively honor the mysteries and richness of our Faith. Our community's participation was a testament to the enduring legacy of faith that unites us all.

Journeys Beyond the Classroom: Field trips brought learning to life, captivating our students' minds beyond the classroom walls. These excursions complimented our curriculum, kindling a thirst for knowledge through firsthand experiences. Our community's engagement in these outings added depth to the educational journey.

Parents Night Outs and Celebrations: The bonds we share extend beyond academics, fostering connections that uplift hearts. Parents Night Outs and celebrations created spaces for dialogue, laughter, and camaraderie among parents, tutors, and staff. These moments of connection enriched the fabric of our community and empowered us all.

Championing Life's Milestones: Regina Caeli Academy embraced the full spectrum of life's blessings. We rejoiced in the arrival of new life through heartwarming baby showers, celebrating the beautiful journey of parenthood within our community.

Family Focus: The Oliapurath Family

For nine years now the Oliapurath family has been a part of the Regina Caeli Academy family and has been blessed with 6 living children and 2 in heaven! They had been praying for a homeschooling option that fit their needs when a friend came up with information regarding RCA in Dallas. After the meeting, they discerned that RCA was finally the answer to their prayers! "Our favorite thing about RCA is their classical curriculum with their St. Don Bosco's principle." They added that their children, in particular, love "the amazing friendships they have there as well as the awesome teachers who completely understand their struggles and problems." When not in the classroom, you might find the Oliapuraths traveling to fun new places, at the swimming pool, or in the kitchen cooking food together. All in all, what makes Regina Caeli Academy special to the Oliapurath family is that, "everyone is trying to prepare their kids best to reach the goal of eternity. There might be different cultures and different ethnicities, but the goal remains the same."

Alumni Focus: Adam Neill, RCA 2021

Meet Adam Neill, an alumnus of the Austin Class of '21 whose journey after Regina Caeli Academy has led him to remarkable endeavors. Having recently graduated from Emergency Technician School at Tyler Junior College, Adam is currently immersed in Paramedic school, a path that resonated deeply with his formative years.

Growing up, Adam's fascination with the world of first responders was kindled during his time as a lifeguard. However, it was at Regina Caeli Academy where his vocation truly flourished. Under the guidance of Mrs. Guy, Adam's passion for medical professions ignited during Anatomy and Physiology classes.

One unforgettable day, Adam found himself performing cardiopulmonary resuscitation (CPR) on a patient. After 30 minutes of unrelenting effort, the patient's circulation was restored. This pivotal moment affirmed Adam's calling in the medical field. Reflecting on the experience, he realized the marvel of the human body's capabilities and its alignment with his faith. The phrase from Psalms, "I will praise You because I have been fearfully and wonderfully made," resonated profoundly as he witnessed the body's incredible resilience.

For Adam, the foundation laid by Regina Caeli Academy played a pivotal role. The hybrid homeschool, classical education cultivated his self-starting attitude and love for learning. These qualities empowered him to dive wholeheartedly into his chosen path, studying and practicing techniques crucial for his success.

As he continues his medical journey, Adam reflects on the wisdom he would share with his younger self. He would emphasize the importance of allowing time for discernment, acknowledging that the right path reveals itself in due time. With a heart attuned to helping others and a foundation rooted in faith and education, Adam stands as a testament to the exceptional possibilities that await those who embrace their calling.

In Adam's story, we witness the seamless convergence of faith, education, and professional growth—a testament to Regina Caeli Academy's mission to shape individuals who not only excel academically but also thrive in their chosen vocations, making meaningful contributions to the world.

COMMUNITY IMPACT

Regina Caeli Academy's financial achievements are intrinsically tied to community support. Fundraising income of \$352,714.35 signifies the generous spirit of our supporters who share our vision for quality education, allowing us to provide more tuition assistance than ever before!

LOOKING AHEAD

As we reflect on this fiscal year, Regina Caeli Academy remains focused on delivering exceptional education, fostering growth, and ensuring financial sustainability. We extend our gratitude to our dedicated staff, supportive community, and committed families who contribute to our success. Moving forward, we are enthusiastic about the continued growth of our academy and the positive impact we will make on our students' lives and the broader community.

Community Engagement and Key Partnerships

At Regina Caeli Academy, our commitment to good, true, and beautiful education is deeply enriched by our valued partnerships and collaborations within the community. These relationships amplify our impact and contribute to the diverse and enriching educational experience we offer our students.

HOME SCHOOL LEGAL DEFENSE ASSOCIATION (HSLDA)

Our partnership with HSLDA underscores our dedication to advocating for quality homeschooling education. Through this collaboration, we ensure that our homeschooling families receive the legal support and guidance they need to provide an exceptional education for their children.

DUC IN ALTUM CATHOLIC SCHOOLS COLLABORATIVE

The Duc In Altum Catholic Schools Collaborative represents a collective effort to nurture faith-based education. Our collaboration with this esteemed organization enhances our ability to provide a well-rounded education grounded in Catholic values, fostering character development and spiritual growth.

CLASSIC LEARNING TEST (CLT)

Our partnership with CLT opens doors to unique assessment opportunities for our students. This collaboration allows us to prepare our students for higher education by exposing them to a comprehensive, classical approach to standardized testing.

ACCREDITING BODIES

Our affiliation with esteemed accrediting bodies demonstrates our commitment to maintaining the highest educational standards. The National Association of Private Catholic and Independent Schools (NAPCIS), the National Independent Study Accreditation Council (NISAC), and the Georgia Accrediting Commission (GAC) affirm the quality of our education and the value we place on continuous improvement. Our NAPCIS accreditation, in particular, allows us to be embraced as a quality education option for diocesan families across the nation as it is the same accreditation as diocesan parochial schools.

COLLABORATIVE ENDEAVORS AND IMPACT

These partnerships have resulted in collaborative endeavors that have a profound impact on our students, families, and the larger community. From legal advocacy and faith-based education to comprehensive assessment opportunities and nationally recognized accreditation, our collaborations elevate the educational experience we offer.

GRATITUDE AND FUTURE COLLABORATIONS

We extend our heartfelt gratitude to our key partners for their unwavering support and shared commitment to educational excellence. Looking ahead, we are excited to continue building upon these partnerships, exploring new avenues for collaboration, and fostering an even stronger sense of community within and beyond our academy.

As we reflect on the year past, Regina Caeli Academy stands as a testament to the power of collaboration, community engagement, and the transformative potential of partnerships that align with our mission and values.

Alumni Focus: Grace Hartsock 2022

Grace Hartsock, a proud graduate of the Austin Class of '22, has emerged as a fervent advocate for life and a beacon of change. Her journey beyond Regina Caeli Academy is marked by a resolute commitment to championing the sanctity of life at every stage.

As the State Captain for Students for Life in Austin, Grace's unwavering dedication came to the forefront when she testified before the Texas Senate, advocating passionately for The Heartbeat Bill. Her resounding voice echoed in the halls of legislative deliberation, a testament to the impact of a Regina Caeli education that empowers students to stand for what they believe in.

Grace's advocacy reached a pinnacle with the signing and passing of The Heartbeat Bill, a transformative moment that affirmed her commitment to the dignity of life. Her journey took her to meet with distinguished leaders, including Former Vice President Mike Pence and Governor Greg Abbott. These encounters underscored her role as a catalyst for change, amplifying the voice of the voiceless.

Guided by a profound sense of purpose, Grace is embarking on a path to become a nurse at Benedictine. With her studies, she continues her mission to promote the sanctity of life and offer compassionate care to those in need. Grace's journey stands as a testament to the transformative power of education that not only shapes minds but also ignites hearts with a burning passion for positive change.

In Grace's story, we find the embodiment of Regina Caeli Academy's mission—to nurture individuals who not only excel academically but also carry their values beyond the classroom, making a lasting impact on their communities and the world.

Fostering a Future of Educational Excellence: Expansion and Growth

As we reflect on our past achievements, Regina Caeli Academy looks ahead to an exciting future of continued progress and expansion. Our unwavering commitment to providing quality, faithfully Catholic Classical Education remains at the forefront of our mission, and we are thrilled to share our ambitious plans for the coming years.

EMBRACING THE CALL FOR GROWTH

The demand for Regina Caeli Academy's exceptional education has grown exponentially, with daily inquiries pouring in from hundreds of cities across the nation. This overwhelming response reaffirms the value of our Classical Education approach and the transformative impact it has on students. In response, we are embracing the call for growth and expansion as we embark on a new chapter of our journey.

CHARTING THE PATH FORWARD

With a clear vision and determined spirit, we have set forth an ambitious plan to broaden our reach and enrich the lives of even more students. Our primary goal is to establish a presence in new major regions across the country, strategically chosen to extend the benefits of a Catholic Classical Education to areas eager for our program.

STRENGTHENING OUR FOUNDATION

As we venture into new territories, we remain steadfast in our commitment to the students, families, and communities that have made Regina Caeli Academy what it is today. In addition to our expansion efforts, we are dedicated to enhancing our existing centers, ensuring that our students continue to receive the highest quality education and support.

AN ANNUAL COMMITMENT TO IMPROVEMENT

Recognizing the importance of continuous growth, we have set a goal to strengthen our existing centers by 10%-20% annually. This commitment to improvement ensures that our educational offerings remain at the forefront of innovation and excellence, setting the standard for Classical Education nationwide.

UNITING IN PURPOSE

Our expansion and growth plans are not just about adding more centers or increasing numbers; they reflect our deep belief in the power of education to shape lives and communities. By expanding our presence and refining our approach, we aim to inspire, empower, and uplift students across the nation, equipping them with the skills, knowledge, and values needed to thrive in an ever-changing world.

A JOURNEY OF IMPACT AND TRANSFORMATION

As we look forward to the future, Regina Caeli Academy stands ready to embark on a journey of impact and transformation. We are excited to forge new partnerships, build bridges with communities, and create opportunities for students that transcend geographical boundaries.

We extend our gratitude to our dedicated staff, supportive families, and the broader community for their unwavering support. Together, we will continue to uphold the legacy of quality Classical Education while embracing the opportunities that lie ahead. Our commitment to excellence remains unwavering, and our dedication to shaping a brighter future for generations to come is stronger than ever before.

Anchoring to Faith

At Regina Caeli Academy, we recognize that challenges are not mere obstacles, but opportunities for growth that are woven into the fabric of our journey. Guided by our Catholic identity, we approach these challenges with faith, resilience, and a steadfast commitment to our mission.

As we navigated transitions during the year, we found solace and strength in our faith.

The challenges we've faced have been met with trust in God's plan and accountability for our actions. With faith as our anchor, we address ongoing matters responsibly, upholding the values of transparency and justice that our Catholic Faith demands.

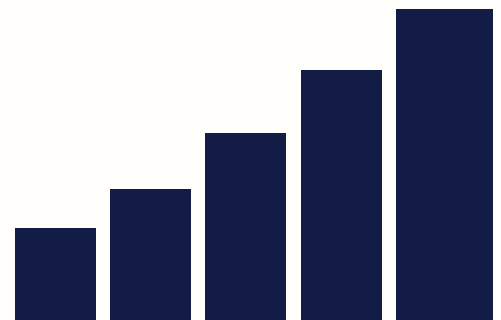

STRATEGIC GOALS ALIGNED WITH OUR FAITH

As we peer into the future, we set our strategic goals with unwavering faith in God's guidance. These goals are not mere aspirations but manifestations of our commitment to providing a faithfully Catholic education that nurtures the mind, spirit, and character of our students.

A FAITH-FILLED JOURNEY FORWARD

In times of challenge and triumph, Regina Caeli Academy stands firmly rooted in our Catholic faith. As we navigate the journey ahead, we place our trust in God's divine plan, confident that our commitment to educational excellence and faith-centered growth will yield abundant blessings.

We extend our gratitude to our dedicated staff, supportive families, and the wider community for their unwavering faith and support. With our faith as our guide, we set forth on a path illuminated by hope, love, and the promise of a brighter future.

GRATITUDE: NURTURING EXCELLENCE TOGETHER

As we draw the curtain on another transformative year at Regina Caeli Academy, we are humbled by the collective journey we've embarked upon with our dedicated stakeholders. Your unwavering support, trust, and shared commitment to nurturing excellence have been instrumental in shaping the successes and growth we celebrate today.

Together, we've woven a vibrant tapestry of learning, growth, and community engagement. Your prayers, contributions, and encouragement have breathed life into our mission, enriching the lives of students, families, and the broader Catholic community.

TRANSFORMATIVE PARTNERSHIPS

We extend our heartfelt appreciation to our partners, collaborators, and supporters who have journeyed alongside us. Your belief in our vision and dedication to the pursuit of educational excellence has paved the way for achievements that resonate far beyond our campus.

A GRATEFUL ACKNOWLEDGMENT

To our exceptional staff, your tireless efforts and passion for education are the cornerstones of our success. Your dedication to igniting curiosity, nurturing potential, and fostering a love for learning inspires us all.

TO OUR FAMILIES

We extend our deepest gratitude to our students' families. Your trust, partnership, and shared commitment to each child's growth are the driving force behind our educational journey. You play an integral role in nurturing the future leaders, thinkers, and change-makers who will shape our world for the better.

A VISION FOR TOMORROW

As we look to the future, our hearts are filled with optimism and purpose. With faith, passion, and a profound sense of responsibility, we remain steadfast in our commitment to providing quality Classical Education enriched by our Catholic identity.

YOUR LEGACY, OUR FUTURE

In closing, we recognize that our achievements are shared achievements. Your investment, whether in time, resources, or prayer, is woven into the very fabric of Regina Caeli Academy. As we embark on the journey ahead, we carry with us the legacy of collaboration, growth, and excellence that defines us.

With profound appreciation, we extend our thanks to each stakeholder who has contributed to the success of Regina Caeli Academy. Your belief in our mission fuels our determination, and we eagerly anticipate the continued impact we will create together.

May God bless each of you abundantly for your kindness, support, and dedication. We look forward to the chapters we'll write together in the years to come, as we nurture excellence, inspire growth, and foster a brighter future for all.
